The 411

Meaningful Technology

**TECHNOLOGY USE IN YOUR CLASSROOM
THAT ACTUALLY HELPS YOUR STUDENTS**

**TECHNOLOGY THAT IMPROVES WHAT YOU
ALREADY DO**

NOT technology for the "checkmark"

What can I create? 

ONLINE INSTRUCTION?

Online instruction is fun for you and for students, efficient, and expected by administrators.

Use it to expose students to their potential of being an independent learner!

Get the whole family involved

Teach "perfect" lessons and become your own co-teacher!

Help new students feel better faster

Think "big" concepts that you want taught "perfectly"

Be consistent
